After Architects in Schools Residency

Name _____

Date _____

Write about what you did with your architect/engineer/contractor (What did you like best? What did you make? What did you get to do that you haven't done before?) Attach sheets if necessary:

Write about two things you found out from your time with your architect/engineer/contractor that you didn't know before.

Are there things that you notice and think about now, that you hadn't before? Write your answer or draw a picture of your answer on the back of this sheet.
