

Architects in Schools  
**Summer Camp**

# Materials List

## Recommended Materials and Supplies:

- Printed [Student Architect Journal](#)
- Several sheets of plain white paper
- Several sheets of colored construction paper
- A few sheets of graph paper (optional)
- Pencil and eraser
- Black pen
- Colored pencils, markers or crayons (something to color with)
- Ruler
- Scissors
- Glue or tape
- Paper grocery bag
- Recycled materials or anything around your home that can be used for model building
- Any additional art supplies, building blocks or craft materials you have around your home!

## Additional Bonus Challenge Materials:

Daily bonus challenges are optional, but are a fun way to keep your student engaged in design learning!

- More of the materials listed above
- A few books (the book content doesn't matter, these will be used to test the strength of their paper columns!)
- Fort building materials (i.e. blankets, bed sheets, pillows, furniture, tarp, string, cardboard boxes)
