

THINK ABOUT SHEET**4.91***What Will Cities Look Like 25 Years From Now?*

NAME _____

DATE _____

It is 25 years from now, and there are five times as many people in the world as there are now. What kind of a city would you design to meet the needs of these people? Consider the new technology that will probably be available by then.

1. What does your city look like? (big, small, dirty, clean, trees, no trees) _____

2. How many people live in the city? _____

3. How do people get in and out of the city? _____

4. How do people move around in the city? _____

5. Where are the:

businesses? _____

factories and industries? _____

schools, churches, museums, etc.? _____

places to live? (houses, condos, row houses, boat houses) _____

6. What will people do for recreation, for fun on days off, or on vacations? _____

Where will people go? _____

7. How will the city look as you come toward it from a distance? _____

8. Why will people want to continue living in the city? _____
