

PROJECT BRIEF

**The portland Bureau of Transportation and the City of Portland are looking for visionary design teams to imagine Portland's next bridge—
The Bridge of the Future.**

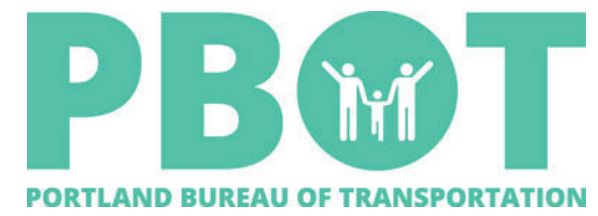

REQUIREMENTS:

- **Support Portland's growth**
- **Support at least three modes of transportation**
- **A minimum of two sustainability features**
- **Be ecologically responsible**
- **"Outside the box thinking"**

REQUIREMENTS:

- More than a connection from one side of the river to the other**
- Engage the community every day**
- Connect the community to the river**
- Iconic: Functionality sets a new standard**

**Thank you,
Portland Mayor
Ted Wheeler**
