## Bob Frasca Community Event Series

Highlighting impactful architecture and design

AFO's Bob Frasca Community Event Series, honoring the late visionary leader, brings people together to experience and discuss the intersection of community and architecture. Offered 3-4 times per year, these events dive into a range of subjects, feature influential design projects, highlight local nonprofits and community organizations, and touch on the architectural challenges that face Oregon and beyond.

Our Bob Frasca Community Event series is open to the public and offered free of charge to AFO members.

Our reputation for commitment to Oregon's built environment, our constituency of a wide range of industry citizens, and our strong relationship with other sponsors and donors make an association with AFO highly rewarding for our sponsors. We invite you to come join the conversation!
