

## Student Self-Assessment

# Before Your Residency

---

Name \_\_\_\_\_ Date \_\_\_\_\_

Check the sentence that describes what you know about architecture, engineering and design:

I DO already know about architecture, engineering, design and/or the community.

I DON'T already know much about architecture, engineering, design and/or the community.

What do you think about when you hear the words design, architecture, engineering and construction?

---

---

---

What do you think an architect, an engineer or a contractor do when they go to their job?

---

---

---

Write about what you hope to do and learn from the design professional coming to your class.  
Attach sheets if necessary.
