

Architects in Schools Summer Camp 2024

Materials List

Recommended Materials and Supplies:

- Printed Student Architect Journal (this will be emailed to you the week before camp begins)
- Several sheets of 8.5 x 11" paper (different kinds and colors encouraged!)
- A few sheets of 12 x 18" construction paper (different colors encouraged!)
- Tracing paper
- Pencil and eraser
- Colored pencils, markers or crayons (something to color with)
- Scissors
- Glue or glue sticks
- Tape
- Ruler or straight edge
- A few books (or something solid and heavy like a book)
- Recycled materials or anything around your home that can be used for model building (i.e. cans, bottles and cups, cereal boxes, milk cartons, cardboard, toilet paper rolls, etc.)
- Any additional art supplies or craft materials you have around your home!

Optional Materials:

These additional materials may provide your student with more variety as they work through the camp content and create their final model

- Magazines, newspapers or other printed images to cut up for collaging
- Tempura paint and paintbrushes
- Twine or string
- Craftsticks/popsicle sticks
- Graph paper

If you are located in Oregon and cannot financially access your own camp materials, please submit a supply request on your [camp registration form](#) by Friday, June 7, 2024.
