

REFRESH

AFO's Summer Celebration

Held annually during the summer

An annual mixer to enhance connections across the industry and to see a stunning newly renovated, reimagined, or brand new project. REFRESH is a jovial networking opportunity for design and building professionals, especially emerging individuals working to advance their career prospects. Held at a different and architecturally exciting location each summer, the event brings together over 100 guests to convene and learn about a uniquely designed site. Guests will learn more about what makes the project special from design and building professionals and mingle at AFO's second largest annual event of the year.

Our reputation for commitment to Oregon's built environment, our constituency of a wide range of industry citizens, and our strong relationship with other sponsors and donors make an association with AFO highly rewarding for our sponsors. We invite you to take a visible role with your friends and colleagues for what we promise will be a lively summer evening!
